

# Epson TM-m30II (122A0): USB + Ethernet + NES, Black, PS, UK

The easy-to-use point-of-sale solution for specialist shops, boutique outlets, small restaurants, bars, coffee shops, delis, food trucks and kiosks.

Epson, the number one POS printer manufacturer in Europe<sup>1</sup>, has developed the entry-level TM-m30II to add to its ever-expanding range of compact mPOS devices. It features enhanced functionality, connectivity and allows the user to free up valuable counter space thanks to the compact, discreet design and small footprint.

## Simple compact design

The TM-m30II is based on a simple, compact cube design with a very small footprint. This discreet design fits seamlessly into most environments. Available in black or white.

## Enhanced connectivity

The TM-m30II is the successor to the iconic TM-m30 receipt printer and features enhanced connectivity to accommodate the needs of growing businesses, including: USB, Ethernet and optional Bluetooth.

## Reliability

This mPOS receipt printer offers a host of new features that are designed with transactional efficiency in mind. These include: increased print speeds of up to 250mm/s; a paper near-end sensor, which is especially useful for unattended applications, such as kiosks; enhanced mechanism, printhead and auto-cutter and an advanced paper-saving function that includes paper back-feed capability.

## Ease of use

Epson's POS expertise has resulted in unrivalled build quality and refined functionality; each component has been developed with ease of use in mind. The TM-m30II can be installed horizontally or vertically, that allows for even more positioning flexibility. It pairs easily with tablet and mobile devices and LED indicators display the status for Wi-Fi, Ethernet and optional Bluetooth). Also, the flexible drop-in paper loading allows users to access the TM-m30II from either the top or the front.

## DATASHEET / BROCHURE

## KEY FEATURES

- **Iconic design**  
Stylish, practical design with small footprint and clean lines
- **Cost effective**  
Entry-level model (refreshed version of its predecessor, the TM-m30)
- **Fast printing**  
Increased print speed of 250mm/s
- **Direct printing from mobile devices**  
Without the need to install or update drivers
- **Reliable**  
Epson's tried and trusted build quality

## PRODUCT SPECIFICATIONS
